THANK YOU FOR YOUR SERVICE

A note from the Owner-

I want to start out by saying I'm so grateful you are here! You're the reason we are in business and I think you're the absolute BEST!

As you can see all around you, food is expensive. The best way for us to keep our prices as low as possible is to have small up-charges for substitutions rather than raising all prices across the entire menu. If you make up your own off-menu meal (please do... live your best life!) it will not be the same price as listed on the menu. Your server will be as fair as possible, always.

Please be kind to the staff, they are doing their best for you.

Thank you from the bottom of my heart for sharing a meal with us, supporting us, and being so understanding.

Much Love! - Sarah
